

Coordinating Team (CT) Minutes
May 8, 2019

Present: Rev. David Miller, Kathy Smerke Hochberg, Bill Braband, Rev. Sarah Caine, Pete Krone

Roundtable Discussion

The CT discussed a proposal from the Climate Action Group to participate in the Adopt-a-Highway program for a 1 ½ mile stretch of Hunter Mill Road. The program is a joint venture with the other churches located on Hunter Mill Road and would be a multi-year commitment. The Virginia Department of Transportation would provide trash bags and pick them up after the cleanup is done. This project will require little to no staff time with no foreseeable impact on UUCF resources. The idea is to recruit church members for about 2 hours per scheduled pickup. Further discussion will be done at the next CT meeting as to safety concerns and coordination of volunteers.

A continued discussion of the CT vacancy opening at the end of the year. Various candidates were discussed and are to be contacted by Rev. Miller. The candidate will be recommended to the board at the Annual Meeting.

New Business

Annual meeting awards candidates were presented and agreed upon.

Old Business

Budget strategies dominated the conversation for most of the meeting. A planned email is to go out this week about shortfall in the budget and plans to arrive at a balanced budget.
