

Coordinating Team (CT) Minutes
Jan. 8, 2020

Attendees: Rev. David A. Miller, Pete Krone, Gina Wells, Bill Braband

Roundtable Discussion:

Rev. David provided a minister's update of numerous UUCF activities in 2020.

The safety meeting is to be held on Jan. 13 at 7 p.m. in the Program Building. Pete will attend for the CT.

Old Business:

Pete reviewed changes to the Alcohol and Facilities Rental Policies. The Number III.A, Alcoholic Beverages was renamed to Alcoholic Beverages and Tobacco Use and revised to now include prohibitions of tobacco use at UUCF and the need to obtain a permit when selling alcoholic beverages or collecting donations for alcoholic beverages at functions at UUCF. The rental policy was updated to include these changes.

A CT blog was reviewed and changes made to the Google file and it will be published later in January.

Bill provided an update of the construction projects at UUCF and showed pictures of the new Sanctuary roof. It was recommended that the pictures be shown at the Roofapalooza party on Saturday.

New Business:

Bill discussed the proposed Earth Day events to be held at UUCF on Apr. 25 with specific focus on budget impacts. Rev. David took the action to discuss the planned events as well other related activities with co-chairs of the Climate Action Group.

Bill brought up an issue regarding holiday pay and, after some discussion, will contact the Unitarian Universalist Association regarding its approach and policy toward holiday pay and will bring a recommendation to the CT for any UUCF policy changes, if necessary.

Tyler Coles will present a summary of his activities to the CT at the Jan. 22 meeting.

There will be no meeting on Jan. 15. The next meeting will be held Jan. 22, 2020
