

## Coordinating Team (CT) Minutes

Jun. 10, 2020

**Attendees:** via Zoom - Rev. David Miller, Pete Krone, Gina King, Bill Braband

The CT discussed issues with use of UUCF facilities given the current pandemic, health and safety guidance and administrative resources to manage any opening. The overall safety and health of congregants and users of UUCF facilities was of utmost importance. Consequently, use of UUCF facilities will be very limited or not at all.

Any activity would need CT approval of the activity, date, time, number of participants, safety plan and cleaning plan. At this time two activities have been approved – grounds maintenance and the monthly food drive.

The Montessori request for kindergarten graduation in the traffic circle was not approved.

The next CT meeting will be Jun. 17, 2020.
