

**Coordinating Team (CT) Minutes**  
**May 20, 2020**

**Attendees:** via Zoom - Rev. David Miller, Pete Krone, Gina King, Bill Braband

The CT discussed the joint Board-CT meeting on May 19 and the consensus was that the meeting was valuable to both groups.

Rev. David addressed the potential to share services with other congregations; possibilities of developing an economy scale regarding administrative tasks wherein congregations would share the administrative expenses.

The CT reviewed the Church Mutual insurance guidelines for re-opening for worship services and it was agreed that compliance with their guidelines would limit attendance, be cost prohibitive and labor intensive.

Consequently, Zoom services will be the mode of worship for the foreseeable future. Alternative methods of keeping community and providing support were discussed. Gina brought up the possibility of a grant for urban gardening and took an action to provide the CT with more information.

The CT selected the recipient of the Birnbaum Award and Pete took an action to notify Scott Kestner and Matt Higgins as well as to write up a brief paragraph to be presented at the Annual Meeting.

Rev. David would follow up with the Young Adult group and provide advice from the CT.

Paul Atelsek is to be invited to a CT meeting to discuss the Property Stewardship Council.

Bill brought up the issue of dumping trash on UUCF grounds near the dumpster. It was agreed to place a wildlife camera near the dumpster to capture future dumpings.

It was suggested to add "join us online at [uucf.org](http://uucf.org)" to the outside banner.

The next CT meeting will be May 27, 2020.
