

Coordinating Team (CT) Minutes

May 6, 2020

Attendees: via Zoom - Rev. David Miller, Pete Krone, Gina King, Bill Braband

Bill reported that this Friday would be the last day to use keys to enter UUCF buildings. Bill also provided the dashboard report, recognizing that comparisons to previous years' attendance may have no importance in the current pandemic.

The remainder of the meeting addressed the impact of the pandemic on renters, worship and the budget for next year:

- It was agreed that we have no firm date for opening UUCF facilities, notwithstanding the needs that other denominations may need. Consequently, we are unable to make any promises or commitments to renters and should consider rental income to be at risk.
- UUCF will keep its current worship via Zoom giving the greatest access to worship versus an-person worship with a limited number of congregants.
- Bill pointed out that UUCF was a polling place and that elections were scheduled for Jun. 23 and took action to research what would be needed.
- The budget for 2020-21 was discussed. Given the reduction in rental income expected for next year, a number of possible expense reductions were discussed and are to be summarized for discussion at the joint CT-Board meeting on May 19.

The next CT meeting will be May 13, 2020.
