

## **Coordinating Team (CT) Minutes**

### **Apr. 21, 2021**

**Attendees:** via Zoom - Rev. David Miller, Gina King, Bill Braband, Adrian Hendricks and Rev. Christin Green

The following were addressed:

1. Bill Braband presented the Climate Action Group request to fundraise a previous purchase of food bags. They want to sell them after the service in the Commons when we return to in-person services. The CT voted yes and Bill Braband is going to inform the group of the decision.
2. The CT discussed the re-opening plan for on-campus outdoor activities. There was to be a presentation to the board on Apr. 20 for board members to vote. The process of re-opening the building will include the hiring a custodian and also has budget implications and the timing of the CT presenting a budget to the board.
3. Re-opening talks shifted to what a hybrid service may look like, who it would involve and how many could attend. Would there be a need to change personnel, add additional staff, etc.
4. The Covenant of Right Relations Team members need to be chosen, but the CT is tabling this until after budget talks end.

The next CT meeting will be Apr. 28, 2021.
