

## **Coordinating Team (CT) Minutes Aug. 11, 2021**

**Attendees:** via Zoom - Rev. David A. Miller, Gina King, Bill Braband, Adrian Hendricks and Rev. Christin Green

The following were discussed:

1. The removal of the top blue banner on Hunter Mill Road that says we gather every Sunday at 10 a.m. It is a safety issue because it blocks the view of oncoming traffic and, with the opening of The Siena School in September, the decision was made to remove the banner and leave the Love Is Love and Black Lives Matter portion of the banner. Bill Braband will take it down when possible.
2. Bill Braband notified the CT that he submitted an Endowment grant request to allow him to buy a camera that might facilitate multi-platform meetings with both an in-person and Zoom option. Once he receives the grant and purchases the camera he will report back to the CT as to the viability of the solution.
3. The Re-Opening Task Force will meet on Thursday to finalize the letter to the congregation about plans for in-person worship this fall.
4. Rev. David suggested we purchase a case of N95 masks to distribute to congregants who might attend worship and forget their masks. Further personal protective equipment may be needed and will be looked into in future meetings.
5. The minutes of the Aug. 4 meeting were approved.

The next CT meeting will be Aug. 18, 2021.

Prepared by Bill Braband
