

## **Coordinating Team (CT) Minutes Aug. 18, 2021**

**Attendees:** via Zoom - Rev. David Miller, Gina King, Bill Braband, Adrian Hendricks and Rev. Christin Green

The following were discussed:

1. A recent painting quote that Bill Braband got to repaint the window trim in the Administration Building, the Teen Center and the Montessori was discussed. Rev. David requested this second quote after the first quote from CertaPro Painters in May totaled more than \$10,000. The new company is called All-American Painting and their quote was \$16,000. With such high costs, this may be a project that needs to be done by volunteers. Further discussion is needed.
2. The Siena School painted “most” of the Program Building in preparation for the starting of the school year in consultation with Bill Braband and Diana Tyser. The CT approved the project, which saved UUCF a substantial amount of money.
3. A variety of maintenance issues were discussed, and Bill Braband will come up with a plan to address them.
4. Rev. David Miller reported on the board meeting and the future of the congregation as it pertains to failing membership and rising costs. This subject will continue to be discussed.

The next CT meeting will be Aug. 25, 2021.

Prepared by Bill Braband
