I. Introduction

The UUCF Governance Manual has the following goals: (1) establish clear lines of authority for and among the Board, ministers, paid staff and lay leaders; (2) empower the staff and lay leaders to carry out their activities without unnecessary oversight by the Board; and (3) describe the entities to be evaluated and when such evaluations will occur.

UUCF's governance structure has the following essential characteristics:

- The Board makes decisions on major matters that affect the long-term well-being of the congregation but does not directly participate in management of day-to-day operations. Its primary activities are communicating with the congregation, articulating UUCF's goals and priorities, envisioning ways to enlarge or strengthen congregational programs, ensuring the financial well-being of the congregation and systematically evaluating the performance of the senior minister, the Coordinating Team (CT) and the Board itself.
- Authority over day-to-day operations is delegated by the Board to a CT composed of the two ministers, the operations manager and two lay members appointed by the Board.
- The ministers, staff and lay leaders have freedom to accomplish their goals without having to obtain prior approval of specific plans so long as they operate within the framework of their position descriptions or charters, budgets and written policies adopted by the Board or the CT. All, however, are accountable to the Board or the CT for accomplishment of their tasks, and their performance is reviewed on a regular basis. The Leadership and Nominating and Endowment committees are accountable directly to the congregation.

This Governance Manual contains the major components of UUCF Governance. In particular, it contains statements of UUCF's Vision (the outcomes the congregation seeks to achieve); expectations of the CT (things the CT must do) and limitations on the CT (things that the CT or staff may not do); Board-CT linkages (the delegation of authority to the CT and staff and their accountability to the Board); the Board's internal management processes; and the process for making and revising policies.

II. Purpose and Use of the Governance Manual

Current information pertinent to UUCF Governance will be maintained in this Governance Manual, which is a key tool for establishing and maintaining the governance framework, serving as a basic reference source for members and staff new to the congregation as well as a source of continuity when leaders and staff change. The manual is a living document, because creating, evaluating, and refining the policies and procedures necessary to implement this structure will be an ongoing process. As we learn and adapt our governance model, this manual will be updated periodically to keep it current. To the extent possible, each section of this manual will indicate the date on which it was adopted.

To be effective, the governance processes must be open, transparent and dynamic. All UUCF members must have access to the governance policies and the process for examining and, if necessary, expanding or otherwise modifying them. The secretary of the Board of Directors will maintain an up-to-date, primary copy of this manual. The secretary will ensure that the operations manager has a current copy of the manual and receives all updates as they are made. The operations manager will ensure that the manual is available to the CT, staff, members and friends for their reference. The manual will also be available on the UUCF website.

The following is the order of document precedence for resolving conflicts between documents:

1. The Bylaws
2. The Governance Manual (this document)
3. Other Board policies
4. Policies/procedures of the Coordinating Team
5. All other procedures

(Adopted 20 April 2011)

V. Board of Directors

The Board has ultimate responsibility for all activities carried out by or in the name of the congregation and staff. The Coordinating Team (CT) was created as part of the UUCF policy-based governance structure to implement Board directives and to manage day-to-day operations at UUCF.

A. Purpose

The Board of Directors acts on behalf of the congregation to accomplish the following:

1. Exercise ultimate authority over UUCF property and operations;
2. Develop the Vision;
3. Approve financial and operational priorities;
4. Ensure that adequate financial resources are available and controls are in place;
5. Communicate actively and effectively with the congregation; and
6. Avoid unacceptable actions and situations as defined in the Bylaws and these Policies.

B. Governing Style

The Board will govern with an emphasis on the following:

1. Communication with the congregation;
2. Vision;
3. Encouragement of diversity in viewpoints;
4. Strategic leadership;
5. Clear distinction of Board and CT roles;
6. Collective rather than individual decision-making;
7. Focus on the future while learning from the past and present; and
8. Proactive rather than reactive leadership.
9. Commit to examining congregational systems, policies and actions through an anti-racist, anti-oppressive lens. This commitment requires Board members to acknowledge their biases, question their assumptions and allow for the discomfort that comes with this work.

In this spirit, the Board shall fulfill several responsibilities:

1. Focus chiefly on the Vision and priorities, not on the administrative or programmatic means of attaining the Vision;
2. Focus attention on new directions or priorities to which UUCF should devote its energy and resources;
3. Assess UUCF's success in achieving the Vision;
4. Assess the performance of the Board, the CT and the senior minister against the Vision.
5. Account to the congregation with competent, conscientious and effective accomplishment of the Vision;
6. Represent the congregation in determining appropriate organizational performance;
7. Diligently apply policymaking principles and respect for defined roles;
8. Speak with one voice, so that after subjects have been discussed and voted upon, both majority and minority show respect for the action taken;
9. In its interactions with the public, press or other entities, recognize the same limitations and the similar inability of any member, except the President, to speak for the Board unless otherwise authorized; and
10. Encourage leadership training (both within and outside the congregation) for leaders and prospective leaders.
11. Seek out, listen to and value congregational input.
12. Prudently allocate money toward anti-oppression training.

13. Recognize the Board is continually learning about issues regarding race and will need to actively reach out to experts for advice.
14. Work with the Leadership and Nominating Committee to recruit Board members to make the Board more diverse, especially with respect to race.

C. Conduct

The Board makes the following commitments to itself and its members:

1. Conduct itself in an ethical, professional and lawful manner;
2. Properly use authority and demonstrate appropriate respect in group and individual behavior when acting as Board members;
3. Act in the best interests of the congregation;
4. Disclose all potential conflicts of interest and review and sign the conflict-of-interest policy and disclosure statement annually;
5. Refrain from self-dealing or any conduct of private business or personal services between any member and the congregation except as procedurally controlled to assure openness, competitive opportunity and equal access to “inside” information;
6. Refrain from using their positions to obtain employment within the congregation for themselves, family members or close associates;
7. Decline consideration for employment by the congregation, unless temporarily withdrawing from Board deliberations, voting and access to applicable Board information;
8. Resign from Board service should she/he/they be employed by the congregation or act as a paid consultant; and
9. Resign from Board service should an immediate family member be employed by the congregation for more than 10 hours per week.

D. The President

The president ensures the integrity of the Board’s process, typically represents the Board to the congregation and outside parties, presides at meetings of the Board and of the congregation and fulfills other such duties and responsibilities as may be assigned by the Board or the congregation.

1. The job of the president is to ensure that the Board acts consistently with its own rules and those legitimately imposed upon it from outside the congregation.
2. The president shall ensure that meeting discussion addresses only those issues that, according to policy, belong to the Board to decide, and not to the CT.
3. The president is empowered to chair Board meetings with all the commonly accepted power of that position (e.g., ruling, recognizing).
4. As presiding officer, the president shall ensure that deliberation is timely, fair,

orderly, thorough, efficient, limited in time and kept to the point.

5. As presiding officer, the president shall ensure that Robert's Rules are observed, except where the Board has superseded them.
6. The president's authority does not extend to supervising or otherwise directing the CT.

E. The Executive Committee

The Executive Committee shall consist of the president, vice president, secretary and treasurer. Its responsibilities include the following:

1. Setting the agenda for every meeting;
2. Applying the same rules of decorum as the Board's except that disputes in Executive Committee may be brought to the full Board;
3. Referring issues to the CT; and
4. Taking emergency action between meetings of the Board.

F. Board Committee Principles

The Board may charter committees to help carry out its responsibilities. To preserve the Board's functioning as a whole, committees of the Board shall be used sparingly.

1. Board committees may not speak for or act for the Board except when formally given such authority for specific and time-limited purposes. Such authority shall be carefully stated in order not to conflict with authority delegated to the CT.
2. This policy applies only to committees that are formed by Board action, whether or not the committees include non-Board members. It does not apply to committees formed under the authority of the CT.

G. Unity of Control

Decisions of the Board are binding on the CT. Decisions or instructions of individual Board members or committees are not binding on the CT unless the Board has specifically authorized such exercise of authority.

H. Authority of the Board

Subject to the CT's limitations in this Governance Manual, the Board delegates authority for decisions about day-to-day operations to the CT. The Board retains ultimate authority for all decisions that affect the long-term well-being of the congregation.

The Board retains hiring and discharge authority with respect to the operations manager, the director of music and arts, the director of religious exploration and non-called ministers.

- a. The Board, in consultation with the senior minister, will determine whether a specially constituted committee or the CT will conduct the search for

candidates for one of these positions.

- b. The Board must approve the letter of agreement or employment contract for an employee in one of these positions before it is signed by the senior minister.
- c. The Board delegates to the CT authority to reach agreement with each employee on an updated letter of agreement as necessary.
- d. These employees will be supervised by the senior minister unless a letter of agreement provides otherwise.

I. Accountability

The Board is accountable to the congregation as a representative body for establishing policies and goals and for monitoring UUCF's progress toward achieving the Vision.

J. Monitoring and Performance Measurement

The Board will assess the senior minister annually in his or her capacity as minister and leader of the CT. The Board shall assess CT performance annually. The Board shall view the CT as successful to the extent that the Plan and the Vision are achieved, the CT's limitations are respected and the CT's responsibilities are fulfilled. The Board shall assess its own performance against these policies and the UU eight principles.

K. Orientation of New Board Members

Continual Board development must include orientation of new Board members. Training shall include the following topics:

1. Basic principles of UUCF Governance and the eight principles.
2. Roles and responsibilities of a UUCF Board member;
3. Fiduciary responsibilities of the Board, including a review of the UUCF Bylaws and the Governance Manual;
4. Process for Board self-assessment;
5. Need for the Board to speak with one voice;
6. Board's responsibility for assuring achievement of the Vision;
7. Board's relationship to the congregation;
8. Board's relationship to staff, both paid and volunteer; and
9. Decision-making process of the Board.

J. Election of the President and the Executive Committee

Each March, a subgroup of the Board called the officer election team, consisting of the members whose terms are expiring that year, will select a team lead.

Each March, the president shall distribute a description of the duties of the president, vice-president, treasurer, assistant treasurer and secretary shall be distributed to the Board members whose terms do not expire that year. Those who desire to serve in one or more positions shall send the officer election team lead an email briefly stating interest and their order of preference.

The officer election team will send a description of the duties of the vice-president, treasurer, assistant treasurer and secretary to the incoming board members when they are announced and ask that they respond with interest and their order of preference.

The officer election team will ensure there is at least one candidate for each board office.

At a board meeting before the annual meeting the officer election team will present to the Board recommendations for the president, vice-president, treasurer, assistant treasurer and secretary. The full Board will elect a president from among all candidates presented by the officer election team.

The recommendations for other officers will be kept on file to be presented for election at the first meeting in the new Board year, which will be conducted by the Board president.

Elections will be decided by a simple majority vote.

VI. Coordinating Team

This section sets out the Coordinating Team's (CT) responsibilities and limitations. The CT is accountable to the Board for its performance. K. Ethics and Prudence

The CT shall conduct itself in an ethical manner and avoid the following:

It is the policy of UUCF to practice sound and prudent stewardship in all of its financial activities. This policy covers all UUCF funds, all funds of UUCF organizations and committees and all individuals handling and committing congregational funds.

B. Purpose

The purpose of this section is to define the financial policies of UUCF and the responsibilities of those charged with raising and expending funds, developing and implementing the Annual Budget and Operating Plan ("Annual Plan") and overseeing the congregation's financial activities.

C. Applicability

UUCF's funds are defined as any funds raised or expended in the name of UUCF or by any UUCF-approved organization or group. This section provides guidance and direction to all persons entrusted with the stewardship of UUCF's financial resources.

D. Asset Accounts

All funds shall be held in accounts that yield the highest return consistent with our UU Principles, financial prudence, operational flexibility and the time horizon of the projected use of the funds.

E. Liabilities Accounts

All liabilities must be paid in a timely manner. Should the CT forecast that available cash will not be sufficient to pay all liabilities, the CT is responsible to create a plan to address the cash deficit, subject to approval by the Board.

F. Restricted Funds

UUCF will maintain separate accounts with a detailed ledger for the management of all designated funds.

G. Financial Structure

1. The Board shall have overall accountability for UUCF financial stewardship and may appoint standing and ad hoc committees to assist it in meeting the financial needs of the congregation. a. Membership

The treasurer of the Board shall chair the committee. The membership shall include at least two other members of the Board, including the assistant treasurer, if that position is filled. The membership will include a chair, appointed by the Board, the treasurer, the annual giving chair, capital campaign chair if there is one) the senior minister, one or more non-Board lay members of UUCF. The chair or co-chairs will be among the lay members selected by the Board.

The CT will maintain detailed policies and procedures for the effective management and safekeeping of all of UUCF's funds. The CT may establish committees to carry out one-time or ongoing financial duties as needed.

VIII. Anti-Racism, Anti-Oppression Commitment

UUCF has made a commitment to consciously implement the 8th Principle and to purposely strive to build a Beloved Community. To this end, and because dismantling racism and other oppressions is an ongoing effort, the Board, the CT and the staff shall:

1. Design policies informed by the 8th Principle.
2. Create opportunities to allow staff, volunteers and the congregation to be acquainted with the 8th Principle and consider how to align their duties and activities with that principle.
3. Design congregational programming to consider the spiritual needs of congregants who are Black, Brown, Indigenous, Asian-Pacific Islanders and people of color.
4. Develop and implement accessibility guidelines so that individuals with disabilities can have equitable access to that programming.

5. Educate the congregation about the work being done to live out the 8th Principle and the measurable outcomes of that work.

IX. Policy-making Guidelines

The Board of Directors and the CT may adopt, amend or rescind policies relating to matters within their respective authorities. Various factors both expected and unexpected may make it necessary to do so:

- Existing policies may not be effective in supporting achievement of intended results;
- UUCF's goals and Vision may evolve over time; and
- Experience working within the structure of existing policies may point out the need for new policies, changes to policies or changes to Vision.

When a policy change is desired, a recommendation may be submitted by any member of the congregation or staff. Recommendations concerning Board policies should be given to the Board, and CT policies to the CT. The proposed change may be in the form of a description of the recommended change and may contain the proposed language of the policy revision or addition. Proposed changes will be evaluated by the Board or CT (depending on policy ownership) and will be reviewed with affected individuals and groups, as appropriate.

New policies, policy modifications or rescissions ideally will be recommended either by or through that part of the institution most intimately connected with their implementation. The expectation is that recommendations will be developed and refined in a spirit of cooperation and respect throughout the process.

A. Steps to Policy Additions, Amendments and Rescissions

Any member of the congregation or staff who desires to propose an amendment to UUCF's governance policies should follow these steps:

1. Review the existing policies that are relevant to the governance area under scrutiny;
2. Explain the problem with the existing policy;
3. State what needs to be changed in the policy to address the problem;
4. Explain how the anticipated change might improve the functioning of UUCF governance in meeting the goals set forth in our mission and vision;
5. If possible, draft a revised policy or new policy that could accomplish the desired improvement; and
6. Submit the above information to any member of the CT or Board (depending on policy ownership) for analysis and review.

The Board or CT will review the proposed policy change at its first available meeting. The next steps are with the Board or CT:

7. The Board or CT will refer the proposed policy change to other UUCF individuals, committees or groups for review as necessary to fully vet the recommendation and open a period of time to receive comments on the proposed policy changes;

8. The Board or CT will review how this change might affect other existing policies;
9. When the comment period is over, the Board or CT will make its decision concerning the proposed change;
10. The Board and CT will keep each other informed of proposed policy changes for information purposes; and
11. A Board or CT member will notify the individual or committee about its decision on the proposed policy.

If a similar policy change has been proposed within the last UUCF operational year, the Board or CT need not review it again so soon, unless circumstances have changed significantly. If the Board or CT declines to review the change due to such a timing issue, it shall nevertheless respond to the change originator with the facts of its recent review.

The Board or CT will communicate all policy changes to the congregation in a timely manner. All currently effective policies will be available on the UUCF Web site.

B. Change History
