We've been apart too long! Imagine seeing UUCF friends in person, eating savory food, sipping beverages and bidding on fantastic events and treasures to raise funds for UUCF! The dream will be realized on May 7.

UUCF's 2022 Auction will happen in person this year, outdoors on the UUCF campus. Help the party planners make this best, most fun Auction ever. Details are being finalized, but for now, you can help by volunteering for one of many Auction roles and donating events, goods, and services for people to bid on during the Auction. The party planners are with all bidding online and lots of innovative items and events to bid on. The Auction is one of UUCF's biggest fundraisers, and we need as many auction items and bidders as possible to make it a success.
