

Coordinating Team (CT) Minutes

Oct. 26, 2022

Attendees: Rev. David Miller, Rev. Christin Green, Bill Braband, Adrian Hendricks, Gina King

The following were addressed:

1. The CT discussed the variation in food need and how to address (vegan, vegetarian, gluten-free, etc.)
2. The CT discussed the Program Evaluation Committee's report, incorporating an emergent strategies theme into employee evaluations, and the changes to the strategy behind the Welcome Forward messaging. This is the framework for the emergent strategies committee. Rev. David and Rev. Christin will incorporate this in the weekly blog.
3. Bill gave an update on the snow removal contract and that we are going to prepare a portion and then receive 50% discount on hourly rates.
4. Talks of the evaluation process after the staff meeting yielded some confusion by the staff as to the actual goals of the new process. More discussion is needed.

Next meeting will be Nov. 30, 2022.
